You have been connected to HEC Digital Library through Bahria University Virtual Private Network (VPN).

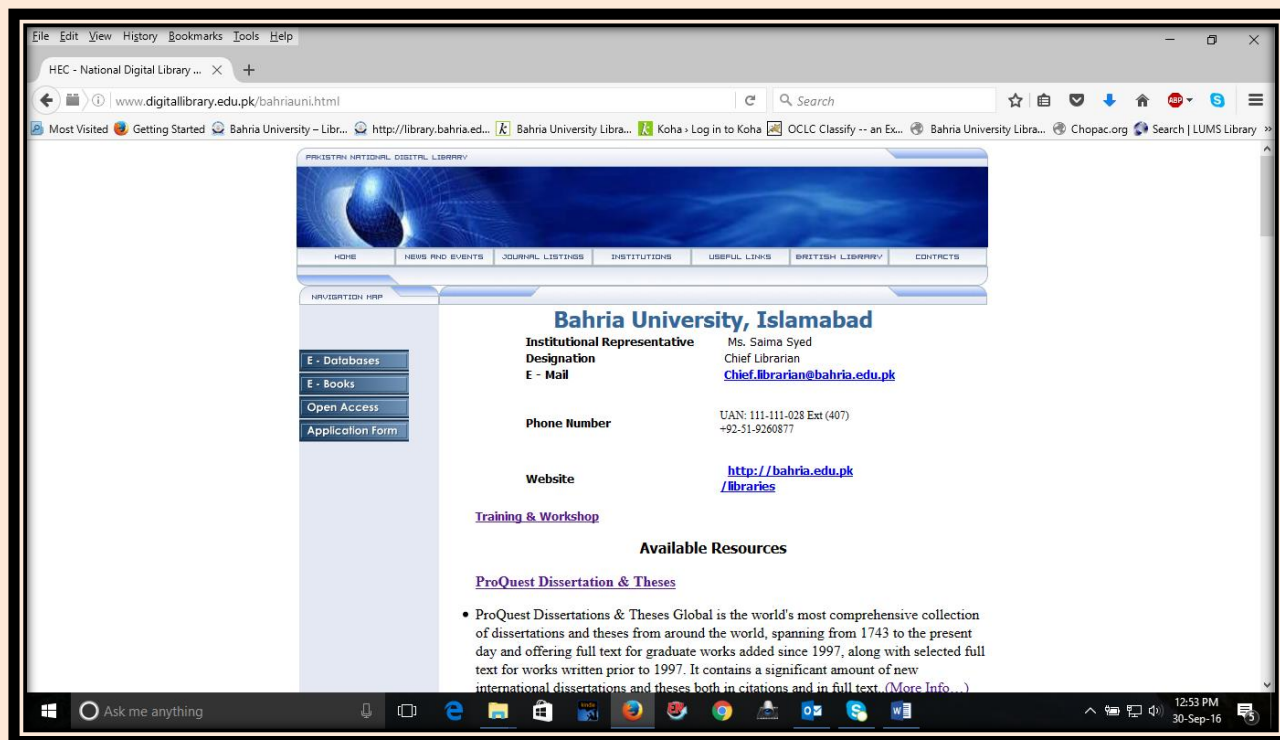

After Connecting to VPN facility you may visit Bahria University Library Webpage:

<http://bahria.edu.pk/libraries/>

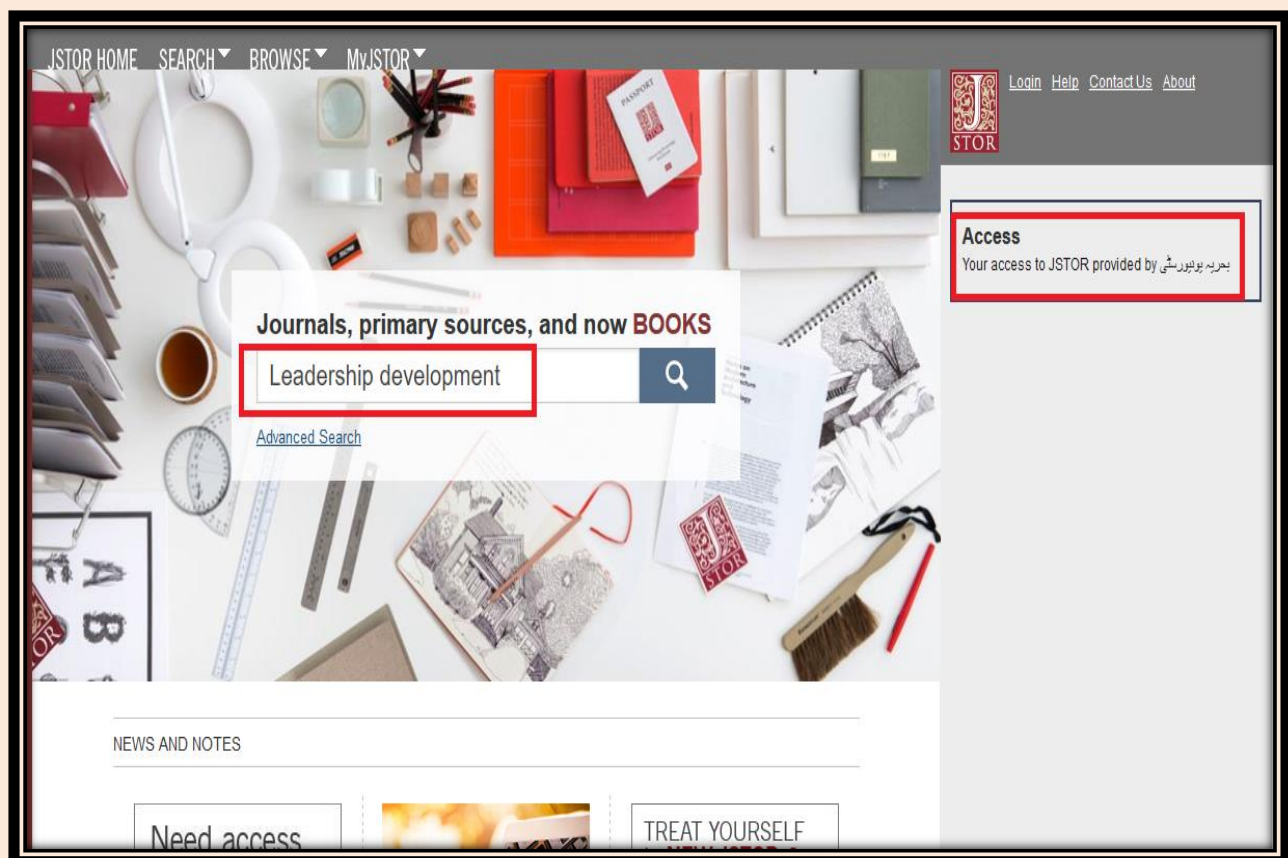

Click on “HEC Digital Library” and will appear under below window.
You will find all the available database link provided by HEC

You need to open any of your required databases for Example we open to “**Jstor**”. Click at Jstor. If there is Bahria University name at Jstor site, it means, your VPN working correctly

<http://www.jstor.org/>

After that we search any article in the Jstor database like you search “**Leadership development**” write the title on Jstor search bar and click.

Now this window is appear and click on “Download PDF”.

The screenshot shows the JSTOR search results page. At the top, there are navigation links: JSTOR HOME, SEARCH, BROWSE, and MYJSTOR. A search bar contains the text 'Leadership development' with a 'Search' button. Below the search bar, there are filters for 'Search within results' and 'All Results' (Journals, Books, Pamphlets). A 'Download PDF' button is highlighted with a red rectangle. The search results list includes the title 'EFFECT OF LEADERSHIP DEVELOPMENT ON EMPLOYEE PERFORMANCE IN PAKISTAN' by QAISAR ABBAS, SARA YAQOOB. The abstract text is visible below the title.

The document is from the 'Pakistan Economic and Social Review', Volume 47, No. 2 (Winter 2009), pages 269-292. The abstract text is visible, starting with 'Abstract. The study was aimed to examine the effect of leadership development on employee performance in Pakistan. This study was conducted considering five factors of leadership development, i.e. coaching, training and development, empowerment, participation and delegation and it was found that the combined effect of these factors influences employee performance with 50%. However, rest of the 50% contribution towards employee performance other than leadership development factors can be the result of other factors such as: attitude, commitment, motivational factors, and trust in the organization, and other factors such as compensation, reward and bonuses etc. can also increase the employee'.
